Office of Legislative Counsel

Monday - 2 June 1958

1. Mr. Roy J. Bullock on the staff of the House Foreign Affairs Committee requested a briefing from CIA representatives on Communist Party activities in Latin America. The Director concurred in Agency participation in the hearing on June 10 at 10:30 a.m. See Memorandum for the Record.

3. After previous discussions with Security and Logistics, I talked to the Director about the request of the Joint Committee on Atomic Energy that we store for them less than the capacity of a safe of classified records. The Director saw no objection and the Committee was so informed. They will advise later if this is necessary.
